

Oak Environmental Inc.

Environmental Geotechnical Hydrogeological Mining Oil and Gas

SUPPLIES – Field Sampling Supplies

Oak stocks a wide range of high quality field sampling supplies. With our knowledgeable staff, competitive prices, and commitment to superior service, Oak has everything you need to work in the field. We are also pleased to provide specialty products or order supplies from your preferred manufacturer(s).

TUBING & HOSE

Oak stocks many sizes and lengths of LDPE, MDPE, HDPE, Silicone (Masterflex), Clear Poly, and Teflon tubing. We also stock pumping and dewatering hoses and connectors.

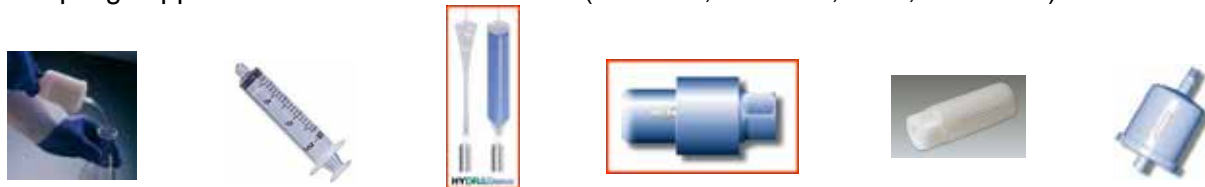

BAILERS

We stock weighted and non-weighted disposable bailers in several sizes (Monoflex, Waterra and Voss brands). Custom-built reusable PVC and stainless steel bailers are also available. Please call us for specialty items such as double check valve or tank bailers.

FOOTVALVES, FILTERS, & SURGE BLOCKS

Oak is a proud distributor of the Waterra line of ground water sampling products. We also source sampling supplies from other manufacturers (i.e. QED, Geotech, SKC, and more).

MISCELLANEOUS

Oak stocks many accessories for air, soil and water field sampling projects, including Tedlar bags, 12V purge pumps, soil sample bags, nylon rope, plastic pails, drums, Quantabs, pH strips, and more.
