SUPPLIES – Well Monitoring Materials

Oak supplies screens, risers and accessories for the completion of environmental, geotechnical, and water supply wells. We can also source any other well materials quickly and affordably.

WELL CASINGS AND SCREENS

Oak stocks many sizes of threaded/slotted PVC pipe (Sch 40 and Sch 80). We also supply stainless steel screens, drive points, PVC and metal fittings.

WELL COMPLETION MATERIALS

You'll find a wide range of well completion materials at Oak. Call us and place your order for sand, bentonite, gravel, geo-sock filters, centralizers, drums, bolt down or lockable casings.

WELL ACCESSORIES

Oak supplies products needed for the construction, protection, monitoring or maintenance of a well. Locking well caps, well slugs (for aquifer testing), inflatable borehole packers, well brushes, soil vapour monitoring wells and locks are all available.
